

SPAGHETTI WESTERN

Italian Restaurant

History of the Spaghetti Western — In the early 1960's European film producers began making movies about the American West. Critics were very harsh with these movies, largely because they resented the Italian foreigners who dared to show audiences a more realistic portrayal of the American Wild West, and dubbed them Spaghetti Westerns. The films were a huge hit with fans however, and they embraced the snobbish insult as a name for the new genre of movies. Clint Eastwood, who later rose to fame as Dirty Harry, starred in one of the earliest Spaghetti Westerns "Fistful of Dollars."
